

# My Visit to the Dentist

A Social Story

Imagine

Children's Dentistry

**Today I will go  
visit my dentist!**

**I will go tell the receptionist my name, so they know I am here.**

**Hello, my name is**  
\_\_\_\_\_

**I can go play with all the fun  
games and toys while I wait for  
my appointment.**

**I will lie down on the comfy chair  
and wait for the dentist to come  
look at my teeth.**

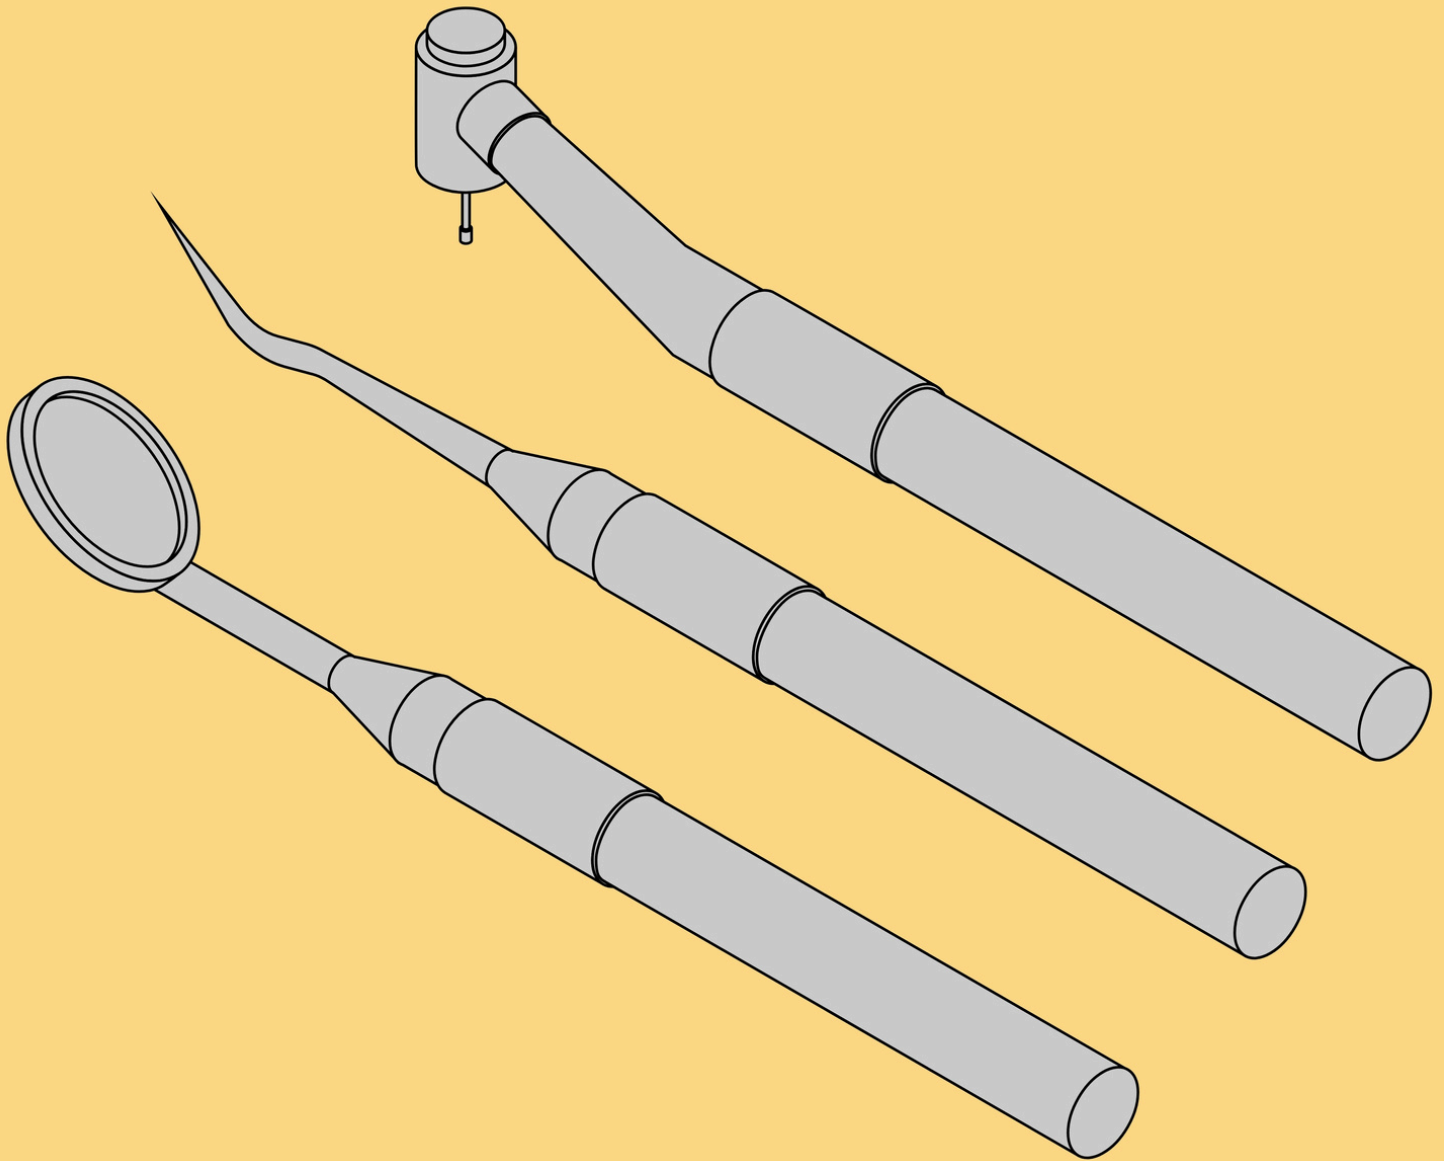

**The dentist will tell me to open  
my mouth so they can count all  
my teeth!**

**1 2 3**

**5**

**The dentist will clean my teeth  
with special tools that are very  
cool.**

**Some make sounds and some  
make things shake!**

**I can watch my favourite TV show and listen with headphones.**

**When the dentist is done, I will  
have a shiny and healthy smile!**

**I will get to go pick out a  
toy from the prize wall!**

**I had so much fun at the dentist,  
and now it is time to go home!**

THE END
